

Texas Baptist Institute and Seminary report to the churches of the
Missionary Baptist Association of Texas - 2020

God continues to bless TBI. We began the 2020 - 2021 school year with 147 students enrolled and taking classes. This is the largest enrollment in at least thirty-five years. Ten years ago our enrollment was in the mid-20s. We have been blessed with growth and are seeing more interest for the second term which begins Tuesday, November 17.

Not only have we been blessed with growth in the number of students but our financial needs have been met during this time of uneasiness. Individuals and churches have been faithful to send monthly offerings as well as special donations. As a reminder, needs always exist, so please continue to send your offerings.

We are moving closer to accreditation by the Association of Biblical Higher Education. This is an important step for Texas Baptist Institute. If there are questions concerning accreditation please feel free to contact us.

Faculty remain dedicated to their assigned roles. Administrators continue to work diligently. Staff take on new responsibilities regularly and complete the work. We are blessed.

Please pray for Texas Baptist Institute and Seminary as well as other schools throughout the American Baptist Association.

Dr. Steve Butler
CEO/Academic Dean
